

WISHING YOU AND YOURS A MERRY CHRISTMAS AND A HAPPY NEW YEAR!

LUMINARIES

If you have participated in years past, Welcome Back, if you have not joined us in lighting luminaries on Christmas Eve we find it to be an excellent expression of the holiday season. It's very simple, we line the curb in front of our residence with luminaries placed about 3 to 4 feet apart, some folks even line their driveway, then at dusk on Christmas Eve we light them. The effect is amazing, the candles burn for several hours. Just walk the curb line in "giant steps" to determine how many luminaries you need. Fill out the order blank and we will have them on your doorstep all made up and ready to go.....Happy Holidays!

Christmas 2004

It's that time of year. Seasonal decorations are going up all around town. Everything takes on such a festive atmosphere during the Christmas holiday season.

As we have for many years we would like to provide you with your **Luminary Candles**. If you haven't used our service before, here's what we do.

We provide a white paper bag, a votive candle and sufficient sand for ballast, all delivered to your door on Christmas Eve, ready to go for only 75 cents each.
